Dear Bud,

I've been trying to reach you for two days to let you know two things. I am too tired and I haven't time to write them in detail.

The first is a possible entrapment of both Nader and LIFE by a paranoid. He is my source.

Second is James Earl ordering Jerry not be admitted to see him again. Over the FBI statement. Ponder this a bit. If you get anything on it, especially from Hill, please let me know soonest.

You mentioned nothing about Speiser. I think this means it is not a bit too soon to get him interested, for that statement could not have originated with James and I know who told Jerry to make it, as you should be able to guess, if I did not, in fact, give you the proof.

The DC office of the National Enquirer may deliver a package to me c/o you. If they do, please hold it until we meet. My next scheduled trip to DC is for a 10:30 a.m. medical appointment Wednesday, 9/24. Perhaps I'll be there sooner. Can't say now.

Regards,
