11/14/72 I rather inagine that fron tine to time I have seemed short-tenpered with ind, inclucing recently. Not without cause. Here is another example. I phoned cesar today to clarify our yesterday's conversation about copies of the court papers for the nedia. He and I had discussed it eurlier and it had been asreed thet I would rake inquiries and thoy woulii leave this to we. une obvious; reason is to mrevent criticism for wilawyerlike conduct which, while perhips umarmanted, would get attention and be believed. I had writton Jim, taken the letter into tom and wailed it, but if ther were any elay, heid not have it in the a.me, which was important because i had promised delivery of two cowies to niBC tomorrow. It turns out that sud had nade no arrangoment for press copias and the one muber oi the press considered is with a paper that, while inportant, can't have any influonce in this instance, Uhi. Daily News. (Also wrong desk.) There are, in the plowed copies, only two above the aboolute minirum. Hot even a copy for any of the lay family. lone for those attacked in the docurants. They would be within their wights in asking copies, particularly lanes, whogave acces: to sone of hisfiles. tone for a ropurter who has been hel ful where the help ean count, the wash. Post. lione for cenn. papers, where it can be important. So, Jin will ask: Bud if thoy can have thré more copies, which I'II went for ABC, CBS and the Post. There should be copies for AP and UPI, but we did not ect to that. I asked din to think of and list the ore important parts as they see them so that at leant after the fact theze can be a press ralcase. If ther'll consider it. low this could have becn mineographed. There is no real need to file a day of two early. the same typist could have cut a stencil, for example, at not much eroater cost the extra cost of the paper would have beon neglisible, for many copies. That on bhich bud has squandered money is such bad jokes as taking Paris llamonde to Bncland and stupidities with the CiLs, tie rost recent of which was goine to the Jiziv. Penia to speak to jerhaps 100 students. The cost of the trip to thila.exceeds that of having an adoquate number of even xeroxes. There are other such examples. HW
