Mr. Harold Weisberg  
Route 8  
Frederick, Maryland

Dear Harold:

The Committee to Investigate Assassinations, Inc., is about to publish a brief book in an effort to update the Congress and the public on the personalities who will be mentioned in the upcoming reinvestigation of the JFK killing. It will be sort of a pictorial scorecard. We are attempting to locate for inclusion good photographs of those receiving "honorable mention" in the book.

Of course we want you to look your best in print. So, may we impose upon you for a good recent photo of yourself.

We hope that you will cooperate, but as an added inducement, we will promise to send you a free copy of the book as soon as it is ready.

Best regards,

Bernard Fensterwald, Jr.  
Executive Director

Dear Bud,

They've renumbered the rural routes. We are now on 12, not 8, without moving.

I'm forwarding your letter to Howard.

I have no recent pictures. I don't recall if the WxPost took any a year or so ago.

The last I recall were by the Baltimore Sun, except possibly at one of the last two press conferences. I don't know if any of the papers or services then made any.

Maybe Floyd or one of the other students did. I'll ask him when I see him.

You are welcome to make a selection from those I have.

Sincerely,
