Dear Harold:

I was very glad to get your letter and the news about the petition for a hearing en banc. Jim is kind enough to keep me pretty much up to date on your battles with the courts. I presume that he filled you in on our unsuccessful attempt to prevent the extradition of Christian David.

I just returned from the West Coast where I had meetings with such worthies as Paul Hoch, Tink Thompson, and Russ Stetler. They all asked about your activities and well-being. I am glad to report that they are going to donate their collection of materials on assassinations to our AARC. With hard work and a little luck, we should be able to put together the best collection of materials in the country, if not the world.

Hoping that this finds you and Lil tolerably well, I am, as always, your friend,

Bud
