Dope, marijuana smuggling from Mexico; Ferrie, [illegible] HW 6/30/72

At 8 EDST tonight CBS TV presented The Mexican Connection, a film made with the help of caught smugglers, pilots, some Mexican officials and [illegible] BNDD. It went into one of the aspects that interested me much, not at any length at all into the other. It dealt mostly with grass, probably because they had more available help with that, [illegible]

[illegible]

[illegible]

There were a number of reports I picked up in N.O. of Ferrie's flights into Mexico, some said to have been for Marcello, some for CIA, some for Marcello with some smuggling on his own. There were persistent reports that he flew under radar. [illegible]

[illegible] the mountains blocking the ability of radar to pick up what flies between them over the valleys. This is to the west of Dallas, [illegible]
