VERY CONFIDENTIAL TO Paul and Gary only [illegible]/70 HW

I, met Kelley, [illegible] our meeting. It had already [illegible] there remained insufficient time to [illegible] [illegible] likely I'll try and recall [illegible]. I would say that [illegible] [illegible] [illegible].

Missing X-rays. I described them to him and told him [illegible] that the [illegible] put me in a position to establish that he did not get them.

Missing pictures: include all of the front. (He really seemed to be [illegible] [illegible] him of the [illegible] and some of the people of perjury.)

[illegible]

Nurse and Nurse-O'Sullivan - the [illegible], including [illegible] editing of [illegible], the [illegible] and the [illegible].

[illegible] [illegible] - the [illegible] [illegible] [illegible] of investigation.

[illegible] seemed strange to him and I take it it was). He seemed to know [illegible] but [illegible].

In telling him of the kidnapping of Oswald, etc., I [illegible] name. He did not ask me to identify her and, when we discussed Kelley's impressions of what he was asked about, the question would be [illegible] that he [illegible] what the [illegible] had told me of Kelley's [illegible] etc., I [illegible] and tried to avoid asking anything.

There is more but I've no time for it. Got Gary's card from the general store and would like to know that Paul has been getting what I've been sending.
