Capt. Eddie Rickenbacker,
Chairman of the Board
Eastern Air Lines, Inc.
New York, N.Y.

Dear Captain Rickenbacker,
As you know the above organization is
the Communist Airline front.

The reorganization of our program
was the result of the poisoning of Captain Ferris,
and the subsequent investigation. Through his
investigation we have learned that the best solution is
to have a military and military
organization which has the necessary
training and equipment.

We are requesting that Captain Ferris
be given a letter of commendation with pay
so that the work at hand can be completed at
the time he holds in his hands as many threats
which pertain to the security of the Caribbean
area that no reasonable substitution could be
made.
