RE: ASSASSINATION OF PRESIDENT

NOTE: Patrolman Comstock, New Orleans Police Department, assisting an investigator of District Attorney Garrison's office has asked the New Orleans Office for copies of material he previously furnished the FBI in 1964. This believed to be in connection with Garrison's investigation of the assassination. On 2/13/64, Comstock furnished the New Orleans Office copies of material he obtained from living quarters of David W. Ferrie, an alleged associate of Lee Harvey Oswald. This consisted of four letters and the first page of Ferrie's bank book with the Whitney National Bank of New Orleans, Ferrie, deceased, is a principal in Garrison's assassination investigation. This material indicated Ferrie was in Guatemala making inquiries on behalf of attorney defending Carlos Marcello, a leading New Orleans racketeer. *LLC*

New Orleans was instructed to refer this request to the United States Attorney and he has now requested assistance of the Department. The Department has requested to be advised if this material was the basis for any investigation conducted by the FBI. They also desire any information concerning the funds indicated to have been deposited or withdrawn from this bank account. New Orleans is being requested to review files and advise the Bureau immediately.

SUBJECT: ASSASSINATION OF PRESIDENT

 MISCELLANEOUS INFORMATION CONCERNING

Reference is made to memorandum May 11, 1967, which described a request received by the New Orleans Office from a New Orleans police officer for copies of material he furnished in 1964. This material concerned David W. Ferrie, deceased, an alleged associate of Lee Harvey Oswald. This material, found by the police officer in Ferrie's living quarters, indicated that Ferrie was in Guatemala in October and November of 1963, and was working for attorneys defending Carlos Marcello, a leading New Orleans racketeer. This request was presumed to be in connection with New Orleans District Attorney Garrison's investigation of the assassination.

It was recommended and approved that New Orleans be instructed to refer this request to the United States Attorney's Office. The Attorney General was also advised.

New Orleans has informed the United States Attorney of this request. He stated he desired to review the material and consult the Department before furnishing an opinion. New Orleans is following this closely.
