Dear Russ,

Larry Finley of the Chi Daily News is interest^{ed} in Radio TV Reports. He visited me recently. He is back in Chicago (401 N. Wabash Ave., 60611). After returning, he did a bit of checking, incorporated in a letter to me, copy enclosed (the extra is/it is faster to annotate).

They have moved since your days, the coincidence of location being provocative.

I have written ~~it~~ separately, not knowing ~~she~~ if she knows anything.

Larry also sent me the enclosed pages from Foreign Corporations Identified by Numbers from the Ill. Sec. State's office. I don't know whether you know anything about CF or any of the other companies they represent, but the list can help you help Larry if you should know anything about them.

After speaking to him, which I did after you were here, I've been meaning to ask you about Ingersoll. Aside from the British accent, anything interesting?

Appreciate anything you do. Please carbon me.

Little news here. Too cold to swim now, and I'm staying busy.

Hope your affairs are straightening out.

Sincerely,

Harold Weisber;

CC Larry Finley

Dear Harold,

Here is what I have come up with so far on Radio TV Reports Inc.

Radio TV Reports, 1723 W. Howard, Evanston, Ill. (Phone book)
Howard St. is the northern boundary of Chicago with Evanston on the other side of the street. I haven't been to this building yet, but I will scout it this week. It is down the block from the 113th Military Intelligence Group (MIG) at 2231 Howard, Evanston. This is where John O'Brien worked out of when he allegedly spied on Kerner, Stevenson, Jessie Jackson, etc al.

Certified List of Domestic and Foreign Corporations/1969
printed by the Secretary of State's Office of Illinois (then Paul Powell)
lists Registered Agent.....CT Corporation System

208 S. LaSalle, Chicago, 60604
President.....David Fins, 105 Voorhis Ave., Rockville Center
N.Y.

Secretary.....Hilda Fins, (same address)

Same book lists CT Corporation System:

Registered Agent.....Russell C Edwards
208 S. LaSalle, Chicago, 60604

President.....Oakleigh B. Thorne, Millbrook, N.Y.

Secretary.....Ralph Crews, Locust Lane, Glen Head, N.Y.

We have no clippings on any of these names. The only CT Corp. clips we have seem to indicate that it is a professional frontgroup for various companies which need an agent in Illinois, as you can see by the two Xerox pages inclosed. Note that the officers of some of their companies are in Rockville Centre, N.Y. and Nashville.

I'll have my man in Springfield check Sec. of State's office for incorporation papers on Radio TV Reports. Would appreciate hearing anything you learn.

Regards,

Fisley
