

6 Various officers from attack unit,
7 which consisted of three cars, had come
8 in at approximately five minutes before
9 6:00 P.M. to utilize the facilities of
10 the Butler Fire Station as depicted here
11 (indicating), for a short break, having
12 worked all day. This consisted of three
13 squad cars. These cars had pulled in,
14 parked with the foremost car up, extending
15 out here (toward) the sidewalk (indicating). X
16 This is immediately south of the rooming
17 house.

18 These officers being in the assembly
19 room area, some in the rest room, etc.,
20 upon hearing the shot, various officers
21 would testify as to coming out the rear
22 door here (indicating), coming over into
23 this area, jumping down some 10-foot wall
24 here (indicating), and proceeding over

1 into the motel where they could observe
2 the body lying there, as has been here-
3 tofore described to you.

4 Some of these officers went back up
5 into this area (indicating), particularly
6 Patrolman Landers, climbed, scaled this
7 wall, went back up in this area, checked
8 this area (indicating). Other officers
9 proceeded on down to the next intersecting
10 street back and come back south, running
11 south on Main Street.
