## Judge Accuses F.B.I. of Providing 'False' Data

By ARNOLD H. LUBASCH?

A Federal district judge in Manhattan declared yesterday that the Federal Bureau of Investigation had provided "false" information regarding a "crucial" aspect of a major lawait by the Socialist Workers 2 and other Government agencies.

At a court hearing, Judge Thomas P. Griesa cited a written response by the bureau to questions submitted by the Socialist Workers about party documents that informers, and the files on informers. The bureau same that was Not Excuse. "John S. Siffert, a lawyer for claifst Workers about party documents that informers had obtained.

The bureau said in its response to the party's questions and was available to the party's members and was discinst. But the FBI. answers falled to the party's members and was discinsted.

But the FBI. answers falled who was a wallater identified as procedures. The first the files on the Government when he tried the Socialist Workers.

The party a leftist group that the file indomental by burning districts in timed. "Let's face it." the Judge consays as it has 2,500 active members, is suing the F.B.L and bookulely inexcusable."

The judge Griesa said that the dissipance of the suit information had come that the files on information might not eligible in information might not eligible information informatio
