Dear Ren．

 I＇年 suse san he，his undofing．

It aleo prosente me with the cooffict of which I＇m aure you ass avawe．
Broeyt for the trusted friande who have oopies and willi sea nothings，as of now mobody lenowms．

If I can＇t zomolve the conflitot nobedy will lmow at least hatal aftior the song vention．

I＇m oorry about the eluspeid and I to know the poostion in whioh it puta you as I＇m muse you oan wnderstand what I mann by a conflict and ny meed to be able to roselve

Bufortunately I wes not araze of Reagan＇a announcement untall the owoning newa．So I＇ve not yeally had a chance thinik this throughe．

I willy be in Mashingten part of Vednesdoy，in oourt in tho morning and theyeaftery， until I roturn，through m lenger，Jill iesar；434－6025v；Beginaing then he wilil have a oogy of what $\mathrm{I}^{\prime}$ m talling about．
sinoe last gear＇s phlebstide I do not dutve that fars mines I must．I＇IL be neing poor public trangportation．I expeot to leave Hamington about 2．I＇ll be in again

Thase is an reason to beltove that the apooks have loat thadr smpreper inferest In etthor me or the woak I dor I would doceatv gou to edve you assuramees about 可 phone，Howown，I could return a call on another ghone and in your interest $I^{\prime} d$ tale the time．

Svents monetimes have thotir omm way of working themeolvoe outs，there fa a cis－ formant viluemability of different natuxe on the same genesed anijoet anily your end， I have been and I will the afiont about this until after the ocoreations I bold olde fanhloned botiofte，With thes，on which wianger is alreedy fulky finformed，my bellex is that in corving melf－intervet youp man＇s vilnoraidisty hae boen magedeicio Thero Is
 And then not eany to contend ultho
 beses．Hy heliet is thet st ean be mesolved，and henosmbiy．

Whatover does or does not haygen，jou＇ll need the sood luok I uteh you，pernonally．
and adnoerelit．
