Dear Dr. Wrone:

I am pleased that you received the previous shipment of materials, and note that your grant application was received by David Horrocks, Grants Coordinator.

In your letter of March 11, 1991, you inquired about borrowing the finding aid for the Warren Commission Files, Tab E. Rather than mail you the finding aid on temporary loan, we have enclosed a photocopy of the finding aid, which you may keep.

Responding to your other inquiries, the Ford Library does not retain oral histories related to the Warren Commission or dated 1963-64. As you will see by the enclosed listing, our "oral history" collection is rather limited.

You are correct in assuming that the papers of John Stiles are still at the Michigan Historical Collections (Bentley Historical Library). A copy of the general description for the Stiles papers (from the Bentley guide) is enclosed.

If you have further questions, please do not hesitate to contact me.

Sincerely,

KELLEE GREEN  
Archivist
