Dear Har & Lil,

Shalom, you all! I pray the hand shake
of Robin and Arafat will ~~find~~ ^{bring} their
hands to build "spears into pruning
hooks and swords into ploughs."

But it will take a long time to
convince the myriad of Arab ^{goy}-haters
to make it a reality.

Harold, your article, "Meachum's
Indecency" is superb!!! I made
many copies of it and sent it off to my
friends in Israel and elsewhere.
It is "awe"-some! You condensed the
history of Palestine, British duplicity and
Arab-hatred in one clean swoop.
You are a true friend of the TRUTH.
May the new year 5754 give you the strength
(the courage you already have) to continue

to battle the enemies of peace
and truth.

Next month I'll take off
for "Sunny" Florida where tourists
are in open season. Just three years
ago I came within the blink of an eye
getting shot dead while buying gas.*
This time I'll make my own gas.*

Salom rav!
Lebowitz Joe

* There is humor even in tragedy.
In Bosnia there is this joke going around,
"What's the difference between Bosnia
and Auschwitz?"
In Auschwitz they had gas! "Sick!"
