ReMM closing let 8/23/65 with enclosure concerning captioned anti-Castro organization headed by [redacted]

Attached for each office is copy of Department of Army letter dated 8/7/70 captioned "Frente Revolucionario Anti-Comunista en Cuba (U)" with single copies of each of the two enclosures thereto.

Miami bring investigation of captioned group up to date and determine whether it is currently involved in militant anti-Castro activities. Of particular interest would be any indication it has capability of carrying out activities against Cuba indicated in attached material. Miami include pertinent data concerning captioned group and [redacted] in material it prepares for dissemination. Do not include the data concerning the John and Robert Kennedy assassinations as it has no bearing in activities of captioned group.

The references to Hall, Seymore and Howard in attached Army letter apparently refer to Loran Eugene Hall, William Seymour and Lawrence Howard. All three of these individuals were interviewed in 1964 in connection with the assassination of President Kennedy and the results were furnished the Warren Commission. Investigative results indicated these individuals had no connection with the assassination and no connection with Lee Harvey Oswald. No further investigation into this matter is required.

[redacted] reportedly indicated to [redacted] he could

During interview, as an aside, [redacted] mentioned
Lorenzo Hall, William Seymore and Lawrence Howard and claimed
that according to [redacted] both Howard and Hall met Oswald in
Texas prior to President Kennedy's assassination. Summary of
results of our investigation regarding Hall, Seymour and Howard
is contained in LHM 12/28/67 entitled "Assassination of
President John Fitzgerald Kennedy, November 22, 1963, Dallas,
Texas" which was sent Attorney General and White House. It
was sent at that time because New Orleans District Attorney
Jim Garrison had unearthed the old false allegations (which
had been proven unfounded) about these men in a news conference.
The Kennedy assassination data contained herein was coordinated
with SA [redacted] also claimed that following
assassination of Robert Kennedy one Steven J. Burton, employee
of [redacted] exhibited photograph of Sirhan B. Sirhan but
[redacted] could not make identification. This data was
discussed with SA [redacted] General Investigative Division,
who will separately handle this portion of Hargraves' data.

Dallas to Laredo or points beyond by the Dallas office of Continental Trailways, the only bus line on which Oswald could have made connections with the bus on which he was later seen. Furthermore, if Oswald had traveled from Dallas to Alice, he would not have reached the Houston to Laredo bus until after he was first reportedly observed on it by the McFarlands.⁷³³ Oswald had also told passengers on the bus to Laredo that he had traveled from New Orleans by bus, and made no mention of an intervening trip to Dallas.⁷³⁴ In addition, the Commission noted evidence that on the evening of September 25, 1963, Oswald made a telephone call to a party in Houston proposing to visit a resident of Houston that evening⁷³⁵ and the fact that such a call would appear to be inconsistent with Oswald's having been in Dallas at the time. It thus appeared that the evidence was persuasive that Oswald was not in Dallas on September 25, and, therefore, that he was not in that city at the time Mrs. Odio said she saw him.

In spite of the fact that it appeared almost certain that Oswald could not have been in Dallas at the time Mrs. Odio thought he was, the Commission requested the FBI to conduct further investigation to determine the validity of Mrs. Odio's testimony.⁷³⁶ The Commission considered the problems raised by that testimony as important in view of the possibility it raised that Oswald may have had companions on his trip to Mexico.⁷³⁷ The Commission specifically requested the FBI to attempt to locate and identify the two men who Mrs. Odio stated were with the man she thought was Oswald.⁷³⁸ In an effort to do that the FBI located and interviewed Manuel Ray, a leader of JURE who confirmed that Mrs. Odio's parents were political prisoners in Cuba, but stated that he did not know anything about the alleged Oswald visit.⁷³⁹ The same was true of Rogelio Cisneros,⁷⁴⁰ a former anti-Castro leader from Miami who had visited Mrs. Odio in June of 1962 in connection with certain anti-Castro activities.⁷⁴¹ Additional investigation was conducted in Dallas and in other cities in search of the visitors to Mrs. Odio's apartment.⁷⁴² Mrs. Odio herself was reinterviewed.⁷⁴³

On September 16, 1964, the FBI located Loran Eugene Hall in Johnsandale, Calif.⁷⁴⁴ Hall has been identified as a participant in numerous anti-Castro activities.⁷⁴⁵ He told the FBI that in September of 1963 he was in Dallas, soliciting aid in connection with anti-Castro activities. He said he had visited Mrs. Odio. He was accompanied by Lawrence Howard, a Mexican-American from East Los Angeles and one William Seymour from Arizona. He stated that Seymour is similar in appearance to Lee Harvey Oswald; he speaks only a few words of Spanish,⁷⁴⁶ as Mrs. Odio had testified one of the men who visited her did.⁷⁴⁷ While the FBI had not yet completed its investigation into this matter at the time the report went to press, the Commission has concluded that Lee Harvey Oswald was not at Mrs. Odio's apartment in September of 1963.

The Commission has also noted the testimony of Evaristo Rodriguez, a bartender in the Habana Bar in New Orleans, to the effect that he saw Oswald in that bar in August of 1963 in the company of a
