If it doesn't and can't  
put it all together,  
it does add some of  
it up. When you've  
finished, you keep  
if you want. If not,  
don't throw it away.  
I'll add it to my  
appropriate file in  
case I ever do such  
adding. If anything  
ever comes of "If  
There Is Such a Place"  
it could be helpful.
