Dear Joan,

Enclosed is a copy of my today's response to Beir. Unles you think otherwise, I think it is all we need do for a while, until I con get a cased to go over what I have. I have employed several phresing that should encourage a crook to stop and think. I hope the crook is sharp enough. Let's weit and see how he responds, if he does.

I am trying to get to Ogicego to file a suit against Skolnick and to confront him on TV. The problem is finding a show that has a budget for transportation. I am know late this afternoon. I've got the wretch dead to rights.

Pillis is a fine person. I connect understand why Hon didn't just may this instead of making on he was representing me. I suppose the black/white thing holds them all captive, to some degree. You should neve two xerox sets of COUP, complete (maybe not last chapter and appendix), and at least one xerox each of POST MORREM and POST MORREM III. The printed books I didn't expect. Shall I take it as a subtlety? This is in addition to NCR copies, about which I am not as much concerned. Me you know, I simply cannot pay for xeroxing to replace any he doesn't return. If he doesn't have them, probably billie will know where they are and will get them. She is fine.

Rear while, my own suit against the government should be coming up seen and I've just gotten a wealth of new and exceedingly important Rey material no one also can understood and it is something! Wen was I right! So, I have to go over it. With all the owner thingse there is little time.

If you did not get all the copies and have to talk to billie again, and if these are the printed books, I'd like her to have any or them she might went, please. Tell her also I appreciate her many kindnesses and the good wishes I know I had.

senatime soon come with you. Thanks to you both. I do not take encouragement from the slight encouragement in your letter of the 27th and will not until the bird is in hand.

haw a hunch art will be here some weekend soon.

My suit: without further delays, probably week 5/114

Pest.

Dear Harold:

Sorry we couldn't come down to visit both of you but I have been very busy up here.

Enclosed are copies of my letter to Bair and his reply. Now what do you want done? I am enclosing a note from Billie Cunningham which she enclosed in the manuscript. She also sent back some books as well. Hobbs was doing nothing with it and he wouldn't even speak with me over the phone. I think that Spitzer and I can arrange something. I will keep you informed.

I look forward to seeing you and Lil soon.

Sincerely,
