Dear J<sup>J</sup>MM

Dear John,

Enclosed is a copy of my response to Woodward's unresponsive answer to my letters.

I have now copyrighted a limited edition of POST MORTEM: SUPPRESSED KENNEDY AUTOPSY and am preparing to do the same with what will be the third part of this book, POST MORTEM III: SECRETS OF THE KENNEDY AUTOPSY. This deals with the current material. It is finished before the litigation that flows from it is over. I will make the required minor additions when I can. I also plan a limited edition of COUP D'ETAT for the same purpose and protection, if that is the right word.

PM III says what the secrets are, including what the suppressed X-rays show. And more. It is important, whatever else it may or may not be.

In the course of a racist slander, the NSRP, in its January "Personal News Letter", did more than malign me. They provided an attractive addition to COUP: The first man arrested in connection with the Kennedy assassination was their Dallas "Chairman"!

With a court action current, and with the focus on Clark rather than the assassination, is it possible that one of the major magazines might get interested in this new autopsy stuff? I'll send you a copy as soon as I have published it, which may be this week. By then I hope to have a radiologists markings of the wounds on an X-ray of a head.

Sincerely,
