Dear Ms. Garcia,

No, I am not afraid, haven't been, have no reason to be.

What is to be feared is the state of the nation if everyone is afraid.

And as you will see to a very limited degree in IV, I'm suing the FBI and the CIA and have been doing it for years.

There is more of the transcript I use on pp. 139-40. The top of 139 states that I use only an excerpt. In all those transcripts are a stack about 3" thick.

Sorry to say I do not know where you can get a set of the 26. However, I believe you can get access to a library set in Austin, if nowhere else in the Texas State Archive.

I enclose a list of the other books in the event you want any.

Thanks and best wishes,

DEAR MR. WEISBERG:

Sorry, to bother you but I had to write since I have read WHITEWASH I, II, III + am reading IV. I must say that your books are quite interesting. I do wonder what this world of our is coming to. Mr. Weisberg, aren't you afraid as to the closer to get to the truth that you might end up like some of those missing witnesses?

You are brave + I do hope you continue writing about President JFK - as he (JFK) has always been a fascinating president + great speaker.

By the way, I have two questions:

- ① WHITEWASH IV - pg 140 the page ends with who, is there more elsewhere?
- ② Would you happen by chance to know where I can obtain a complete set of 26 volumes of the Warren Commission Report?

Sorry, to inconvenience you, your help will be appreciated.

Sincerely
Andrea V. Garcia

P.S. Enjoy your books very much.
