Mr. Weisberg -

I did not receive the  
book: Whitewash ordered  
on 9/7/66 on Money order #  
1, 612, 066, 541

mailed at W. Orange N.J. (\$5.00)

Perhaps there is a good reason  
for this delay. At any rate, I did  
bring this to your attention, as  
I had hoped to read the book  
long before this date. Thank you.

Would you think of the Veranda  
inclusion on all of your books to be  
written on the # 55 address labels?

Dear Mr. Green:

Re your card of 9/19/66: If you have not as yet received WHITENASH, please advise and we'll put a tag on it. It was mailed out from here on September the same day we received the order. We have received a few complaints about non-delivery, but the books have eventually arrived, altho it has taken up to two weeks for a book to travel from here to NY, a distance of approx. 225 miles. ... Any opinion on the Kennedys please will have to come from my husband, who is not home right now. ... If you would prefer, I will mail you another copy of the book and if and when the one arrives, you may return it. Please advise. Thank you for calling to our attention.
