Dear Mr. Green:

Thank you for your card. I appreciate your taking the trouble to write.

I was in Philadelphia just for that particular program and left for home immediately after it was over, so any mail sent me in care of the station will of necessity be delayed.

I don't know of any particular bookstore in your area which carries the book, altho it is available to all of them thru their wholesalers. We fill direct mail orders from here also, both to individuals and to bookstores.

Enclosed is a brochure which contains a coupon if you would like to order the book from me. Any orders we receive go out the same day if possible, the following day at the latest.

This was the second time I participated in a program on WCAU in Philadelphia, and the letters and phone calls I have gotten have, without exception, been complimentary, which would seem to me to indicate that there is a great interest in this subject in the public mind.

Since you gave me your home address in addition to your camp address, I am sending this there on the chance that your camping has ended. If I am wrong, I apologize.

Thank you again for writing.

Sincerely,

Harold Weisberg

Thank you,
