

3/20/93

Dear Dick,

While I am sure it is some kind of mistake, I think I should let you know about the call from the manager of the local Walden's.

She says her buyer, which I take to mean Walden's, can't find the <sup>the</sup> King book or any record of its existence.

I gave her the number from the copyright pages and she said she'd call the buyer again.

Best,

A handwritten signature in cursive script, appearing to read "Harold". The signature is written in dark ink and is positioned to the right of the typed name "Harold".
