Dear Lil & Harold,

Never Again is now fully edited,  
but not yet copyedited.

If you prefer someone else to  
publish it please make the arrangement  
We cannot publish it before March of  
1995, but will do so then if you  
wish.

I do not wish to debate the  
justification of your anger. I do not  
have the energy to involve myself  
in mere acrimony.

I am sorry the book is  
not more timely published. I am  
sorry you are vexed. I am sorry  
you are not feeling stronger.  
My Best Wishes, As Always,  
Richard

to no one or less!

You gave me carte blanche to  
edit Case Open.

It was not publishable  
as delivered. ∴
