Dear Herman,

A request for a copy of Case Open from a Buffalo reporter calls to my attention that I am almost out of them. I'll appreciate another box of them.

I've not been selling them!

Except for a few to the family they've almost all gone to those who helped with the book. Plus a few to those who write reviews for the small publications and to reporters none of whom has written anything of which I've heard.

I'm still getting nice letters about it. Two today. The one I enclose is nicer.

When you get around to remaindering please let me know. I may want to get them. Not that I expect to live long enough to sell any real supply of them. We've given all we have, including the books, to the local college where all my work will be archived. They've agreed to sell the books I have left over and thus give work to a student and a little income to the library.

I'm curious about the sale, if you can give me a general idea. Particularly because the mail I'm getting continues rather good. Not a number every day, some days with ~~none~~ none. But other days as recently as last week five in one day.

And I have yet to get any adverse criticism.

Sincerely,

Harold Weisberg

DEAR MR. WEISBERG,

I JUST FINISHED "CASE OPEN" AND WOULD LIKE TO THANK YOU, FOR YOUR CONTINUING EFFORT TO GET THE FACTS OUT.

I'VE STUDIED THE JFK ASSASSINATION FOR 25 YRS, READ ABOUT EVERY BOOK PRINTED INCLUDING CASE CLOSED, AND I'VE WALKED DEALEY PLAZA STOOD BEHIND THE PICKET FENCE ETC. AFTER 25 YRS I'M NO CLOSER TO KNOWING WHO DID IT OR HOW THEY DID IT, THAN I WAS IN 1970.

BUT THROUGH THE EFFECTS OF HONEST PEOPLE LIKE YOU, IT IS A PRETTY GOOD BET, TO BET LEE OSWARD DID NOT DO IT.

I AGREE WITH YOU THAT NOV 22 1963 CHANGED AMERICA, WE LOST MORE THAN OUR LEADER WE LOST OUR DIRECTION. AND ONLY WHEN WE GET THE TRUTH ON JFK AND RFK WILL WE BEGIN TO RIGHT A SHIP THATS BEEN SINKING FOR 30 YEARS.

YOU'RE A BRAVE MAN AND I WISH YOU WELL.

SINCERELY

MIKE MILLIMAN
