Dear Raphaela,

Our here in the sticks, Saturday makes a difference in some services.

The best arrangement I was able to make with UPS is for pickup after noon on Monday.

I'll be able to arrange for overnight delivery so you should have this Tuesday.

Sorry it cannot be faster.

When the first package got here as I think I told you it was a bit battered.

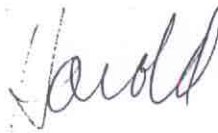

Because you had what you'd retyped wrapped separately, I removed it and left the ms. as it was.

I did not know the size boxes I'd need so I decided to wait until I had all and then got to a stationery store and get them.

So, the ms. is as it was and I have it ~~xxxx~~ boxed and protected with newspaper as best I can in the hope there will be no more battering of the pages when you get them.

I do appreciate your efforts and thank you very much for them,

sincerely,

Thanks for that stupidity, Alyea's letter. He is ignorant, self-important and bent on making a jackass of himself. It refers to enclosing a copy of a bulletin. For the record, if you have it, I'd like a copy. Thanks.

Dear Harold:

Here are two copies of one more chapter retyped with your corrections and inserts.

I'm trying so hard to follow your version to the letter, but since I sent you the original I'm enclosing a Fed. Ex. form (charged to me c/o Richard Gallen & Co.) to make it easy for you to return your original back to me so I have a proper guide in order to complete your original version for your archives.

(If you can return the original it will be easier for me to match everything up properly.)

Thanks for your note about the Danish gentlemen. (I've always been fascinated by Denmark and hope to get there some day, especially since they appreciate Harold Weisberg too!)

Love,
