Dear Raphaela,

A letter from Cindy Smilovik of the Dallas archie^V says she has forwarded to you information on the pictures. She also told me that a friend I'd asked to go look at them to be certain they are clear enough for publication would be in later that day, the 25th. I'll hear~~d~~ from him soon. If you can make out what I could not, good, and ~~pres~~⁺ presume you'll know what I've not been able to learn, what pictures will be used. Whenever you get them, please send me a xero~~d~~ of them so I'll know what you have and will be able to ^Write captions for those to be used with some knowledge of the space for the captions.

If there are others to be used that are not up there, please let me know and I'll send them.

Yes, we are dug out, if you've been following the weather reports. A neighbor came with a blade on his tractor so I'll be able to mail this today. But it is a hard winter! Hope it has not been too difficult for you up there.

Best,

Dear Mr. Weisberg,

Thank you for your continued interest in the JFK Collection. I regret that there has been a communication problem concerning the photographs that you need.

Upon their request I have forwarded the information regarding the photographs you requested to:

Raphaela Sero
Managing Editor
Richard Gallen & Company Inc
260 Fifth Avenue
New York, New York 10001

In addition, David Perry has an appointment with me later today. I have worked well with David on several occasions and I am sure that we will be able to clarify your needs.

The photographs pricing is based on the number of photographs ordered. Smaller orders, less than three prints do not include the handling charges listed on the price list that I sent to you on February 3, 1994.

Please contact me again if you have any questions.

Sincerely,

Cindy C. Smolovik, CA
