

Dear Ted,

11/28/82

Thanks for your letters of the 21 and 22 and for the tape.

You identified only one side of the tape and these days, because I have so much less time, I never listen to them. The one side you identified is your 4/21/77 show with Bob Trebor.

You identified the other side only by date, 4/25/75. As I recall that date, it was when I was in NYC and had pneumonia and pleurisy. So, I assume that this is either that press conference, most of which I heard when it was rebroadcast from time to time for the next week by WCBS, or of Lesar's reading my speech for me.

= I'd appreciate it if you let me know.

All the few shows I now do I do by phone but I don't tape them because I have no real interest in having a tape or listening to it now. Years ago it was different.

In rereading your letter of the 21, I see that you say this is the NYU tape. So I presume it is Lesar reading my speech. Thanks.

You say that Sylvia asked for me. I take it this means that she is OK.

Re your anemia and low blood pressure, they can be corrected by diet and medication, so please do as your doctors tell you.

In your 11/22 you mention CIA Doc 113 as saying that Oswald was sent to Russia to marry a Russian girl for the CIA. I don't remember that at all!

Thanks also for the plugs of my books.

Again thanks and best wishes to you both,

Dear Harold,

Today, by accident (it wasn't listed in the radio section of the N.Y. papers predictably), I heard, on WABC radio the advertisement that Bob Groden and another researcher would be the guests in a 6 hour JFK assass. show beginning midnight, tonight. I called Dick E. Sprague and Sylvia Meagher (who sends regards to you), and told them about this show. Then I called Groden and told him I would call the station and try to give some important info re the HSCOA coverups, etc. He told me that he would also be on WBAB-FM radio tomorrow night, also beginning at midnight. He said he couldn't get this station on his radio, but I can and will tape it for him. I'll also call WBAB re this HSCOA coverup info. Also, 2 weeks ago, I sent a letter to KABC's (in L.A.) Michael Jackson radio show and, to make a long story short, they are going to do a 3 hour show with me, by phone hookup re the HSCOA! It should be VERY interesting indeed. I've got a lot to say. I'll also mention the fact that, among other things, they completely disregarded the info you turned over to them re the King/Ray case. Of course, I'll tape this show as well...(What else??)

I'll make copies for you also soon thereafter.

By this time you've probably listened to the NYU tape I sent you.

Hoping you enjoyed it, FINALLY, right??

Hoping this finds you and wife well and happy.

As for me, I've just had a complete physical and they found out that I'm anemic and my blood pressure is low, which explains my feeling dizzy at times.. so, we'll see.

Best regards,

Ted Gandolfo.

Dear Harold,

Busy, busy here - Last night from midnight to 4 AM, Groden and Gary Mack did WABC radio show. I called Bob earlier & then called on show for 20 minutes re HSCOA Coverup. I quit the show. When I read CIA document #113 re "osweid sent to Russia to marry a Russian girl under CIA instructions" they and host Alan Colmes said they wanted a copy so Anita made them today & I sent them out. Also, tonight Groden does 2 hour show at midnight on WBAB-FM from Babylon, L.I. I'll tape it as well. I called WBAB, left a message and at 9 P.M. received a call from them, saying they wanted to do a show, (by phone at my request), on the HSCOA coverup - on Dec 2. I'll mention the info you turned over to HSCOA - which was completely disregarded. I'll also give your address on the air. Maybe you'll get some orders for your JFK/king books. I'll try, anyway, to drum up business for you. What more can I do, right? Everyone should read them!! This guy, Gary Mack said that one of the "tramps" arrested in Dallas has been definitely identified. When I sent him CIA doc. #113, I asked him to send me more info on this person, etc. So we'll see! Now I'm getting ready to tape Groden's 2 hour WBAB FM show. I can't wait to do my WBAB show re HSCOA. I've got a lot to say, that's for sure!! Have sent all this info to Sylvia Meagher & E. Sprague Tonight as well as to you.

Best regards to you and missus

Ted.
