Dear Mr. Strawderman,

Enclosed, please find my most recent newsletter entitled, "Assassination U.S.A.", which is sent out bi-monthly to more than 2,700 subscribers across the country. As you see, the lead cover story, and the revelations it contains is the primary reason I am sending it to you and the Agency.. The devastating information published herein will no doubt speak for itself. This story, revealed here for the very first time anywhere in ANY publication is entirely true in every aspect, and is completely documented and corroborated; by the enclosed and, indeed, other corroborative evidence in my personal files and possession, and elsewhere, where I have submitted it all and placed it in the possession of several persons, should mine ever become "lost" or in some way confiscated by whomsoever. I am a more than 23 year private researcher on the JFK assassination and have appeared as guest expert on more than 250 radio & TV shows, including my own hourly weekly cable TV shows in 1977 & 1978. I have also compiled the largest, all-inclusive tape-recorded library in the world on this case, numbering more than 5,000 hours at present, and continuing..

The reason I am sending you the enclosed information is in the fervent hope that you and/or anyone else in the Agency will respond to the information contained herein, hopefully as soon as is possible. If and when I receive a reply from the Agency I will be only too happy to publish it in my next newsletter for the edification of my many subscribers and listening audience during radio shows I am still appearing on re this case. Should I not receive a reply or any response at all, that, in and of itself will be reported out by myself as well, and will, in fact be indicative of certain things relating to a lack of "deniability" regarding this matter from you..the Agency. I await your, hopefully soon, reply and response eagerly.

Sincerely yours,

Ted Gandolfo, Chairman: A.I.C
