Dear Harold,

Enclosed find my XMAS present to you. Now, you know I respect you as a man and as a researcher that you are. But, so help me, if you don't accept this little present from me/Anita, so help me, I'll fly to Maryland and I'll belt you one..HA-HA! Actually, I'm scared shitless about flying in planes so you're safe! I told you about Anita's beneficiary monies we recently got from Genova, Italy from her late aunt, quite a sum. Anyway, it's no big thing, really so, seasons greetings to you and yours from Anita and I, Harold. Would you believe that I have 368 subscribers to my newsletters/tapes/documents, etc, etc. Many have ordered all my 14 cable TV shows (audio-cassettes of these), as well as my 22 hour HSCOA COVERUP documentary and my JFK 1½ hour documentary, some of the HSCOA open public hearings testimony, etc. I've been and still am busy as a bee here, but you know what business is, right? I am sorry to hear of the government's suit against you, as you told me about. I really hope that it all works out OK for you in this regard, Harold, really. Let me know later on.

Harold, I really appreciate your acceding to my request to again interview you by phone on Friday, the 20th. As I mentioned, "the great tape-master", me, accidentally erased the last 20 minutes of my past interview of/with you and people are complaining as to the incomplete taping of it, naturally, so I'll be able to furnish them, and future subscribers, with the complete interview. Thanks again for agreeing to do it for me/them. At the end of the interview, I will ask you to tell me/them both the names and the prices of your books you've written till now, so please have that information ready for me/them, OK? OK.

I will then give your name and complete address so that they all can, if they wish, order whichever books they want from you by listening back again to the tape of the show with you. I'll spell your last name as well, Harold, so everything will come out alright.

Don't forget we have a phone date at 1 P.M, Friday, the 20th. Hope you are free for 20 minutes then. Thanks again and I'll be talking to you then.

Again, seasons greetings to you  
and your wife.

God bless.

Ted.
