November 12, 1982

Dear Sir/s,

I had a long conversation today with Eric Protter re my article entitled, "The House Select Committee On Assassinations Coverup", which I submitted to Gallery magazine for publication last month.

He told me that you had, more or less, decided not to publish it stating that you felt that "your readership might think the information contained therein was not "new" information!

I find that frankly inconceivable that you would say/think that, since it is a fact that NONE of the information contained in my article has EVER been published before anywhere and is NOT EVEN KNOWN TO THIS DAY by the public at large, and cannot be since it was obtained by myself over my own private phone in my own house!!

Added to that is THE FACT that Gallery/you published, for two straight months, (Nov, Dec, 1982), TWO articles written by Earl Goltz, which in fact, contain "information" that it SO OLD that I've had it in my personal files for many years now!! Surely, your "concern" about "NEWNESS" did not prevent you from publishing Goltz's PROVEABLY VERY OLD INFORMATION!!

Therefore, is it indeed POSSIBLE that the reason you gave to Mr. Protter can be, in any way, regarded as TRUTHFUL??

The answer, obviously, is OF COURSE NOT!

Let us perceive the matter logically and truthfully.

As a researcher who has compiled undoubtedly the largest, most all-inclusive, chronologically listed tape-recorded library in the world on the JFK assassination, and subsequently the House Select Committee On Assassinations "investigation", numbering more than 4,000 hours, may I humbly suggest that I am knowledgeable of, among other things, the way the news media has, and has NOT, "covered" this case as few researchers know it!

Therefore, it is my Proveable contention that you refused to publish my, hitherto undisclosed, information for reasons left unstated by yourself to Mr. Protter.

The obvious, and ODIOUS FACT, is that this article, written by myself, contains information which is TOO TRUTHFUL, TOO BLOCKBUSTING, AND TOO REVEALATORY about how a COMMITTEE OF CONGRESS ITSELF WAS ABSOLUTELY CONTROLLED BY THE INTELLIGENCE AGENCIES, NAMELY THE CIA AND THE FBI, into SUPPRESSING the ACTUAL INVOLVEMENT OF THE CENTRAL INTELLIGENCE AGENCY IN THE MURDER OF THE PRESIDENT OF THE UNITED STATES, JOEY F. KENNEDY!!

As my friend, Jim Garrison, said, THE NAME OF THE GAME IS POWER, TREMENDOUS AND AWESOME POWER OF THE CIA AND FBI!!

There is, in fact ANOTHER name which adequately describes the situation and, in fact, YOU YOURSELF!

It is COWARDICE !!

I am completely aware of the massive infiltration of the media by the CIA. Nothing else can be the real reason for your suppressing this NEWER (than Goltz's) information from reaching the people, NOTHING ELSE!!

My article has INTEGRITY AND TRUTH AND IS ABSOLUTELY VERIFIED IN EVERY ASPECT, AND PROVEABLY SO!! It is based on more than 150 hours of tape-recordings in my personal possession, and also by PRINTED documentation!

But because it reaches into, and destroys, the HIGHEST ECHELONS in Government and it's totally IMMORAL AND ILLEGAL INTELLIGENCE AGENCIES, IT MUST BE SUPPRESSED AT ALL COSTS, as you, personally, have succeeded in doing.

"A free and viable press"... DON'T MAKE ME LAUGH!!

Kindly send my article, and tape-recording, back to me, very soon!

You are, and represent, an ABSOLUTE DISGRACE TO YOUR "PROFESSION".

Contemptuously yours,

Ted Gandolfo, Chairman: A.I.C.

P.S. This letter neither desires nor requires a response. There cannot be a TRUTHFUL one possible!! Certainly not by YOU!! Continue to publish your "NEW" articles by Goltz, and others. You're SAFER that way, indeed!!
