Dear Vivian,

Thank you very much. Very helpful.

Do not get the stat of the arms cache yet. I may eventually want a photo and I may not need it. The content was important, and that you gave me. Any reporting on the Sergio CarboxIPA speech is still important.

There is one other thing that can be very important. You may be able to get it from old city directories or phone books, if the library has them, or if the phone company keeps them for 1963.

I would like to know every business or organization listed at 117 Camp St., New Orleans, if any or more than one are listed. If there is more than one so 1032 Canal Street (it may be a very big building) I'd like the name of the building.

If you find a phone book, I'd like the listings for Dean Andrews, The Cuban Revolutionary Council, the Cuban Revolutionary Democratic Front (the names may be shuffled), the Maison Blanche Building, including the exact addresses.

I'm behind deadline and must finish fast not only to keep my word but to get on other work. Some of the clippings have been very helpful.

Thanks a lot.

This stationary was a gift. So is the envelope, which was made and shipped to us, arriving as a complete surprise, from Maine!

Sincerely,

Harold
