Dear Russell,

Thanks for the book -

send you the tape & the
made - send your address
to her. Notice on McMillan

and a listing of the

unless they're hiding their
evidence - just chance, eh?
The only chance they had -
↓ they really blew it. Back

I'm still trying. There

the evening. He wanted to
know if I did this or
business ". I don't ever
get expenses! Don't my the
Sue take hold - find
time I did get a small
honorarium, though, & that
was nice of them.
