

6/5/68

Dear Lou,

When you can, I'd like to have copies of the first three attachments only to the 7/29/67 Bartes report by Bill Martin that you sent me.

Also, please check the written list I gave you and send me what is missing before it gets lost.

Sincerely,

I'd like to know if Lorraine sent Mrs. K's things back, for I've never gotten the return receipt and she has not answered my subsequent letters.
