Probe Can't Be Stopped, Garrison Says

NEW ORLEANS, La. (AP)—
Dist. Atty. Jim Garrison said
"there's no way in the world" to
stop his investigation of the
assassination of President John
F. Kennedy.

"All they can do is slow it
down," Garrison said yesterday
after a series of developments.

These included:

A request for a subpoena
directing the Central Intelli-
gence Agency to produce what
Garrison claims is a long-sup-
pressed photo of Lee Harvey
Oswald, named by the Warren
Commission as the assassin of
Kennedy.

Refusal by the Justice Depart-
ment to permit an FBI agent to
testify before the Orlean County
grand jury on his role in the
investigation of the 1963 assassi-
nation.

A report of a tape recording
which purportedly indicated a
bribe had been offered for a
statement to help substantiate
Garrison's probe.

The application for the sub-
poena called on Richard Helms,
CIA director, to produce before
the grand jury a "true photo-
graph" of Oswald and a burly
Cuban which Garrison says was
taken in front of the Cuban
Embassy in Mexico City.

Garrison contends the photo
was suppressed and a "fake
photograph" was submitted in
evidence before the Warren
Commission.
