

The *Ultimate* Novel of Conspiracy

Jim Garrison, the former New Orleans District Attorney who made headlines when he investigated the assassination of President Kennedy, has now written a chilling novel of assassination. Garrison, who recognized the threat posed by intelligence bureaus years before anyone else, is ideally suited to portray the chilling terror of assassination from within the government.

"The stuff of our waking nightmares."

—**The New York Times**

"Chilling . . . knowledgeable, suspenseful . . . A first-rate thriller charged with menace."

—**John Barkham Reviews**

"Powerful and shocking . . . excellent contemporary fiction, a major work."

—**The Charlotte Observer**

A Major Author Tour Leads the Promotion

Jim Garrison, a fascinating speaker, will tour top markets to promote THE STAR SPANGLED CONTRACT. Other promotion will include radio interviews syndicated to 1,000 stations, full-color posters and 36-copy floor display units with special risers (retail value \$70.20).
