Thanks lauch. Glad to hear fron you. What you report has iuportances I've no time to go into for difiorent reasons. I'mas racovering from a heavy case of phlebitis, both lega. It requires more reat and other things that reduce what I can do. No pain. Prognosis good. Indications it will take time. Se, I can respond to only that which can have isportance to me now or in the futurs. In the ortes of your letter.

Are Jou saying that Eastland is reopening the JFK case? On what basis? If they do, stay off. You'11 regret it。Don't 2et ycur political belisis interfere with reason. Thery is no possibiluty of his $4 a i n g$ other tian a whitewasih job. But ploena keep me inforred as fully as you can. And as rapidiy. Fifs only purpose at this late date would be to frustrate the possibility of othar investigations.

I'd Liko the olipjing fro the Jackson Homing Hews of 12/13 you quote as "rai Withheld Facts in JFK Killinge" Did they have a etory on gy NIK paegs conforence of the 11 th, which would heve been their issue of the 12 th? I have a lecture bureau now and can use those thinge.

You cor ectly diagnose Anson as a dipopi artist. It would be halpfui to me and coula bo a aseful part of youm law training if you would go over this and Itomize each urovidtted bit of oribsing, whether or not bus partsoulanly fros we.

The man to wher I introduced you and to whose rest urant we wont for dimen is Larxy Borenstain. He is the nephew of Bronstein/Trobsky but as practising a capitalist as there i.s. I knaw the.t he had ecl.d Ruty a paintine ond hat diasussad it with him earlier. Wheco is com to this nothingnes than $I$ can row fo ints.

While I know tio geogrpahy of t he area wall, i have never been to the long Beach area. I mew your contections and empioyment. There is no rational explanation of Bud excegt that he is nuts on this subjec end does only the insane and never checiss anything out and given any choice will juan to tho wrong concluaion ant even then fuck it up. I did not know he han boon there $5 / 13 / 75$ but did know Lane was sent later. They are lost in this and I'm not about to nelp them get out. They repmesent the biegest gingle problen to getting souething done, are egocentric and egomaniacal and the only hope is that before it ia too late they will deatroy all their own credibility. I don't aind teliing you I'm sitting back and waiting for this. You are lucky he didn't call you (pprobably because he knows we are friends) because you'd then have been involved. in what is at best a foolishness.
