

Dear Harold,

6/8/95

Never Again! arrived on Monday. Thanks. I have also ordered it for our library and will be ordering it for classes I will be teaching in the Fall. Last weekend I was still unable to find it in local bookstores, but I did see Newman's book on Oswald for the first time.

We will be going to Atlanta for a few days, tagging along with Hank - Tracy who will be attending the American Dietetic Assoc. Conference there. Planning to take the kids to the Martin Luther King Center, among other sights.

I will get into Never Again! when
we get back.

Hope you and Lillian are doing well.

Best,
Genny
