

Dear Gerry,

7/27/95

Your letter of the 18th, postmarked the 19th, did not come until today. It is the only case of any delay in any of my mail of which I know in so long I cannot remember the last time. As you'll see on the enclosed envelope, there are no marks indicating going anywhere else or of any unusual kind at all. Locally I cannot remember any time our mail serves has not been excellent. I therefore presume it was delayed en route.

Little by little I'm hearing of NEVER AGAIN! being available in some places where it had not been. Gary Mack told me yesterday one store of a chain in Dallas now has it. But earlier this week I had a call from a stranger who had phoned me before. He travels in his work. He told me the first ten stores he asked for it did not have it and most offered to order it for him. He got it in the 11th. So I believe it is also the stores that do not know anything about the book from its title, *alone*.

You and Dennis are, of course, welcome to use any of it you may want to use. And whenever you have a copy of your paper I'll be glad to read it. And if you expand on it later, to help with that.

The few letters of which I sent you copies are typical. However, the volume is much less than with Case Open, which had my address on it.

We both look forward to seeing you all and to meeting Nancy on the 20th.

As I think I said before, it is a good idea to make reservations in advance, particularly this time of the year. If you plan to use the Red Borse and did not keep its card its 800 number is 245-6701. Unless we hear otherwise from you we'll plan on lunch at Hana's.

Unless Jerry does it I think Dave plans for one of you to dig up a very, very old piece that has been in Lil's family for at least 170 years for a piece for him. Jerry is to come for other peronies Lil can spare, where we can't get to them now. She is taking a nap but I think she could probably find some for both of you if you'd like some. Perhaps other plants, to.

Good luck with your paper and we do look forward to seeing all of you again.

Best,

*Herold*

Dear Harold,

July 18, 1995

Boy, that was some fun mail you received recently (which you enclosed with your last letter). I especially got a kick out of the letter from that chap from England in which he recounts his experience with the "conspiracy community" in Dallas — that "... it was like meeting a bunch of school children, ..." It is too bad more of an effort is not being made to sell Never Again! I did see it down here finally, in a bookstore in Columbia, S. C. But it was on the bottom shelf and, as you have pointed out to Gallen, just seeing the title, Never Again! on the spine

gives no clue to its contents or its significance.

I am currently in the process of typing up a first draft of our paper for the conference. It will be roughly 25-30 pages (possibly more depending on what Dennis adds to it) with 65-70 footnotes and about fifteen pages of documents as an appendix. I was able to incorporate a good cross-section of references, including several to Never Again!. I will be sending it along to Dennis in a couple days so that he can put it in finished form and make whatever changes or additions he feels would be necessary.

I had hoped to be able to send you a copy for comments, but since there is barely a month before we have to present it in Washington, we will bring a

copy of the finished product, which you may want to still comment on. If we feel it is good enough, we may use it to try to entice a publisher into a book-length version of it. For that, your assistance would be especially appreciated.

I would be happy to do what I can to support a proposal for the Nobel committee. Dave would be a key given his publications, but I am sure I could contribute in some way.

We will be on vacation in Houston TX and the Mississippi Gulf Coast during the first two weeks in August,

When we come back I will be getting ready for the conference. Our presentation is scheduled for Friday morning Aug. 18. I plan to stay in Washington from the 17<sup>th</sup> thru the 19<sup>th</sup>. Dennis will be accompanied by his wife Nancy who plans to spend time in the museums. I believe we will all travel out to Frederick ~~and either~~ probably late on Sat. 19<sup>th</sup> and then get together with you and Lillian on Sunday 20<sup>th</sup>. I will write before the trip with any changes, but I am fairly certain this will be our schedule.

Take care. Regards to Lillian.

Best Wishes,  
Genny
