

HOUSTON

Rising above its roots on the bank of Buffalo Bayou, Houston skyline displays a dazzling variety of modern architecture. Framing the 75-story Texas Commerce Tower (left center) are two 1920's classics; the 36-story Galt Building, and the 32-story Niels Esperson Building.

Made the first leg of our journey fine. Thought you might like to know that one of the largest bookstores in a restored movie theater had 'Never Again' prominently displayed rather than tucked away on some lower shelf. We saw a side to...

to New Orleans
