

Dear Hank,

Aug. 9, 1997

Just a note to let you know that the Beques dish arrived yesterday. We will be leaving on our vacation on Mon. 1st and he back on Tues. 19th. Probably he will get another dish made and send it along to Deming after we get back. I got an e-mail message from him just a couple days ago, and he said he was traveling to Maine to visit with his parent. He also said he is finally getting a chance to do some serious work on the book we planned to write. I am also planning to do the same, and I am sure Beques will be important for that.

Take care and give my regards to
Lillian.

Best,

Benny
