Dear Mr. Goldberg

According to the FBI, you are correct on the spelling. It is Pensbaz. His December 1963 address was 4017 Aurora St., Coral Gables. June 1964 it was 15 Madeira, Coral Gables. March 16, 1964 it was 2805 SW Fourth Ave., Miami. The most recent address I have is 8551 SW 24th St., Miami. I have no address for Insight on the News. It is in a magazine format, about the size of Time.

He is a Baltimore-born Cuban who returned there, only to leave again in 1962. He has the best radical-right connections, is as reasonable as a March hare, utters and believes the most awful nonsense and, in short, is an entirely undependable as most of the Cuban refugees. He uses the title Dr. all the time. He is not a medical doctor. I think he is a lawyer (Duke Univ).

He may very well be anti-Semitic. These guys so often are basically fascist and so often the two go together. He has a red phobia, ala Birchers.

If you are familiar with the Pringuier story, he engaged in the same kind of propaganda at the time of the JFK assassination and got no official attention. There ~~was~~ was an investigation. With RFK, his connection is with Duarte, who surfaced to tell lies and paint Sirhan falsely with a red hue.

These two things account for my interest in him. Were you to be able to get access to the newspaper morgues, there might be files on both.

It is always difficult to distinguish between the stupidities and simple meddling of these politically insane people and possible conspiracies. They are dedicated and wrong and cannot be reasoned with.

Thanks for anything you may be able to get. Be careful, for they are nuts. I had a friend write to subscribe and got no response.

Sincerely,

Harold Weisberg

Dear Mr. Weisberg:

I will be pleased to assist you in any way that I can. It would be helpful to me if you could furnish the following information:

Who is he?

Does he spell his name PENABAZ rather than PENABES. If so do you know which of the following he is?

PENABAZ, FERNANDO 21 MADEIRA AV. CORAL GABLES
448-9921

PENABAZ, FERNANDO DR. OFC. 8551 S.W. 24 ST.

221-8981
PENABAZ, FERNANDO JR. DR. 8360 S.W. 25 ST.

226-5994

THERE IS NO PENABES LISTED IN THE MIAMI
PHONE DIRECTORY

Is "Insight on the News" a paper,
magazine, book etc?

I can only hope I am not asking
you what you want me to determine
In effect, I would find a lead on this
guy very helpful. Thank you.

P.S. (AUTOMATIC SHIPMENT WITH A BILL)

Sincerely,
Ross Goldberg
