Dear Mr. Goldberg:

Your letter of September 26 is very warm and I do very much appreciate it.

We have two lists we maintain: Those who want to be notified of any publications and those who want automatic shipment with a bill. We can put you on either.

I have three unpublished manuscripts now and am working on others. They will be published when I can arrange it.

I have no immediate schedule of any appearances aside from some in California in the near future.

Now that you are in Miami, there are some chores that you might undertake for me if willing. One involves getting me copies of a publication called "Insight on the News" by one Fernando Penabes who would choke if he knew it was for me and easy anyway, with your name. Another would be getting anything available on him from the newspaper files. Don't be embarrassed if you can't do it.

Sincerely,

Harold Weisberg

Dear Mr. Weisberg,

I hope this letter finds you and your wife in the best of health.

Over the past few years I have become deeply concerned about the Kennedy Assassination. I am a member of the Kennedy Assassination Inquiry Comm. in New York, and have read numerous books, articles, papers etc on the subject. Of all I've read, none have approached the sincerity, honesty and true concern that you've projected in *Whitewash I, II*, *Photographic Whitewash*, and *Oswald in New Orleans*. My specific purpose in writing

2  
this letter is to compliment  
you and your wife. You're  
one of the most honorable  
men alive today. I sense a  
deep frustration as I read  
and re-read your books  
regarding acknowledgement for  
your work. As far as I and  
my wife are concerned, you  
are worth more to the American  
people and all the peoples of  
the world than all the  
other critics and researchers  
combined. It's a pleasure and  
an honor to read something  
that is written for no  
alterior motives. Your books  
are true. I expose all my  
friends to them and speak  
about them as much as  
possible.

I am a jazz<sup>3</sup> musician and  
have just moved to Florida  
<sup>from N.Y.</sup>  
Information regarding the  
assassination, Garrison, yourself  
etc. is very scarce.

Have you written anything  
else? If so could I order  
it directly from you.

Do you have a schedule  
of shows (radio-television etc)  
~~on~~ which you'll appear that  
you could send me.

Thank you,

Ross Goldberg
