G.P.O. BOX 2691, N.Y., N.Y., 10001.

Mr. Harold Weisberg,
Route 7,
Frederick,
Md. 21701.

Jan. 11, 1968.

Dear Harold,

Greetings! I hope you and your wife are well, and not suffering the slings and arrows of outrageous fools!

With this letter I am enclosing a copy of our publicity hand-out for the first of our round-table discussions, which we are calling our 'prologue'. I now have a date which I would like you to attend as a panelist, the date being Monday, February 5th, when the topic tentatively set is "The Autopsy Report". I hope you can come then, and I also want to nab you for a second date, which I will ask for at another time.

Do let me know at the earliest, as I need all the time I can manage for publicity. And, of course, I am open to suggestions from you on any future topics and appearances.

I will write again in a couple of days, as soon as I have some spare cash, as I will need copies of Photographic Whitewash to sell to our audience on the 22nd of January. The other books I expect I can get here in New York through a friendly bookstore that has some in stock now.

I hope I shall here positively from you very soon. Until then, best wishes, and again, yours in truth for 1968 - truth for all.

Sincerely,

Trent Gough
Chairman
