

NEW ADDRESS: Rt. 7, Frederick, Md. 21701

December 2, 1967

Mr. Chat Collier, President
NBC Productions, Inc.
90 Park Ave.,
New York, N.Y.

Dear Mr. Collier,

On August 4, I wrote the Merv Griffin Show asking fairness time to respond to Charles Roberts, who, among other things, attacks me personally.

Your reply of August 22 was not responsive.

I wrote you again on August 28.

To date, I have had no reply.

Perhaps this letter did not reach you. In it I set the facts forth. I think if you look into this you will find that I have fairly represented the situation. I hope your own concept of fairness prompts a favorable consideration. I am looking forward to hearing from you.

Since this earlier correspondence, the fourth of my series of related studies of the Kennedy assassination and its official investigation has been published (Canyon Books, 131 East 51 St., New York). You will find in it what is entirely new, save for earlier indications in my first two books, and a provocative and thoughtful foreword by Jim Garrison.

I think it is fair to state that my first book, WHITEWASH: THE REPORT ON THE WARREN REPORT, is the definitive, broad work in the field, as it was also the first, and that I am alone among those who have written to have carried his own investigation and analysis forward. My third book, on the suppressed pictures, was awarded 40 column inches as news by the New York "Times" and escaped mention in any other paper.

If you have not received a copy of the fourth book, OSWALD IN NEW ORLEANS: CASE FOR CONSPIRACY WITH THE CIA, I am confident that a phone call to the publisher will get you one promptly. Please phone Peter Workman at 421-8050.

Sincerely yours,

Harold Weisberg
