Door Terry liariblen,
Thintes for tho copy of Pardon the titled Dallas Gonspiracy and your enclosed, undated letter.

I havex skimnad this illness set in print. I'riglad to have it as another aarmie of the provailing illness. Hut it is not worth the time to read it.

This man at the opening claims to be a Christian yet does not consider that of Jesus the worst murder in history?

His bibliography includes the hangings of a political nut tree but no work on the Warren "eport? The relevant is irrelevant, the irrelevant is relevant, and this is worth serious atiention?
liore, Thomsen the one exception? His shots by the dozen accepted?
Umbrella men, more of the same. It is nutty on the face of it. Or, both are.
Garrison: I said "ghadow of a happt ending". It remains s shadow, not a hapoy ending.

Nord Lavis, Jr. is one of the dodicated wrong.

Foors and mentioned that I had a maxazine uhinh said that
the real assasian of John Kennedy was on tre sorth sid=
of Ilm Street. Yox mention=d that two men on either

to convince myself that one of the nen holding such an
instrument ras the case with this marazine, kut I have
been unable to do so.
This magazine is self-ex\rholanatory and I troucht naybe
yox vould like to read it. I certainly am not a stident
of the John Eirch Society and don't geree with t'em at
all, but this macazine and the pictures in it certainly
oxlzle ne.
I was wondering if yod would write me a reolv letter and
connent on this macarine and its unusaal contents. There
is no reason to return the marazine. You nay have it as
free gift.
Also, blease, you once called Tin Tarrison as the man who %
Gould bring the real lillers to gustice. Do you still

Thank you for your reoly.
