

DEAR MR. WEISBERG;

HOPE EVERYTHING IS GOOD FOR YOU.

THERE IS NO NEED TO ANSWER THIS LETTER.

THIS SMALL CLIPPING IS FROM NEWSWEEK, JUNE 14, 1999, PAGE 4.

THE WHOLE JFK MURDER IS, AFTER ALMOST 36 YEARS, INCREDIBLE AND MIND-BOGGLING. I HOPE THIS SMALL ARTICLE HELPS IN SOME WAY. AS YOU YOURSELF HAVE WRITTEN, MR. WEISBERG—'THOSE IN CHARGE HAVE ARRANGED THINGS SO THAT THE CASE WILL NEVER BE SOLVED.'

I COULD FIND NOTHING IN ANY NEWSPAPER OR ANYWHERE ELSE ABOUT THE "CASSET DESTRUCTION?" COVER,

(CONTINUED)

②

AS YOU SAY IN THE NIGEL
TURNER FILM THE MEN WHO KILLED
KENNEDY IN THE "THE COUP D'ETAT" PART
ABOUT THE WHITEWASH IMMEDIATELY
AFTER THE FIRST FEW HOURS, EVEN A
FEW DAYS, POSSIBLY EVEN A WEEK AFTER,
THAT: (FOR A SHORT TIME ASSASSINATION
INFO WITHHELD SO AS NOT TO FRIGHTEN
PEOPLE, PRESERVE DOMESTIC TRANQUILITY,
WAS THERE GOING TO BE AN ATTACK
ON LYNDON JOHNSON'S LIFE? ON THE
SECRETARY OF DEFENCE'S LIFE? WOULD
THERE BE AN ~~EVACUATION~~ FROM ABROAD?
INVAISION
WAS THIS THE BEGINNING OF A REVOLUTION?
BUT AFTER A FEW DAYS, WITH NONE
OF THAT HAPPENING, THERE IS NO EXCUSE
FOR FALSE INFO AND A PROLONGED COVER-UP.

IN A QUOTE FROM YOU, MR.
WEISBERG, IN A VHS VIDEO, WHICH I
DO NOT RECALL WHICH ONE, YOU SAY
SOMETHING THAT, TO ME, STANDS OUT →
(CONT.)

ON THIS VIDEO, THE NAME OF WHICH I CAN'T RECALL, MR. WEISBERG, YOU ARE SPEAKING OF THE ZAPRUDER FILM AND THE FBI INVESTIGATION AND YOU COMMENT:

"NO EVIDENTIARY VALUE? ... WHAT YOU HAVE ~~HERE~~ HERE IS A TIME-CLOCK ON THE ASSASSINATION. IT SHOWS THE PRESIDENT BEING KILLED! ... NO EVIDENTIARY VALUE?"

I HONESTLY FEEL MY READING OR ~~THEORIES~~ THEORIES ON JFK'S ASSASSINATION SHOULD BE DISMISSED LIGHTLY. BY ALL PARTIES CONCERNED BOTH PRO AND CON.

BUT, IT IS MY CONSIDERED OPINION THAT, WITH FEW EXCEPTIONS, NAMELY HAROLD WEISBERG'S HARD WORK AND CONCERN, IT IS MY OBSERVATION THAT - THE 3-RINGED CIRCUS, WITH THE FEDERAL GOVERNMENT AS RINGMASTER, CONTINUES!

Sincerely, Terry Hamblen

The casket in question

KENNEDY

Mystery at Sea

NEVER MIND WHO'S buried in Grant's Tomb: what's in Kennedy's casket? Most conspiracy buffs agree that JFK lies in a mahogany coffin in Arlington. But when the National Archives released documents last week showing that a second casket used to transport the body from Dallas to Washington had been dumped into the sea in 1966, Internet chat rooms began buzzing about what it might contain. Best guesses: the dead president's purportedly missing brain, or radioactive isotopes meant to deter evidence-seekers.
