Dear Lillian and Harold;

I stopped by the 1994 ASK Convention (Symposium) on my way to St. Paul, so I'm writing you from Texas (Dallas).

Yours is the 12<sup>th</sup> name on the inside cover of the ASK program (because they are alphabetical) - your name keeps coming up here in conversation like corn popping!!!

Many of your books are on sale and at a very handsome price!

The speakers are quite rough on Posner - call him Prisoner!!!

Also, they ask for cooperation among the skeptics and less

back-biting - I'm hoping to get

Some research done at the library  
or newspaper office - A records  
review board, set up by Clinton  
and authorized by Congress, had a  
hearing here and is "supposed to" help  
obtain unobtainable material - We  
shall see. By listening and "planting  
seeds" one can gain quite a bit.  
The cabdriver wanted to know what  
I was doing in town and then re-  
sponded that "Oswald didn't do it!"  
It's a 3 day venture, but, takes 4  
days - noon-to-noon. I came by  
train via New Orleans and the Lake,  
Houston, San Antonio and Austin - a  
little like JFK 31 years ago - I  
hope to establish my lunch pen and  
get on with my writing. I bought  
only one thing - Beverly Oliver's book,  
NIGHTMARE IN DALLAS. Actually bought it  
from her 10-year-old daughter, who is  
living on one of Beverly's kidneys.  
Thought the youngster should get credit  
for a sale. She got her (the book) to  
autograph it. Red regards. PAUL HAUER

In Winter Haven, Florida, I  
Saw Pecan Road. If my  
memory is correct, it was the  
road that Civil War-era slaves  
sought in their escape to freedom  
in the North. It is just another  
thing I have no time to check out.

Best Regards to you  
both —
