UNITED STATES GOVERNMENT

# Memorandum

TO : FILE (100-10461)

DATE: 9/23/64

FROM : SAC SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka  
IS - R - CUBA

Inspector JAMES R. MALLEY called at 8:30 AM today and advised as follows.

A member of the Commission allegedly talked to ROY TRULY and Patrolman MARION L. BAKER of the Dallas PD yesterday. When these two were questioned by representatives of the Commission either before the hearings or when depositions were taken, they neglected to get answer to the following. Did TRULY or BAKER see anyone in the lunch room on the second floor when they encountered OSWALD there? Both TRULY and BAKER, as MALLEY recalled, ran up the steps and toward the little room and they saw someone through the glass door and they found OSWALD with a Coke and he walked out of the room through the office where the employees were not normally supposed to be. Did they see anyone else around in the lunch room at that time?

Dallas is requested to obtain signed statements from both regarding that phase. BAKER can best be located through the Dallas Police Department. A Mr. or Dr. GOLDBERG indicated he had talked to both Patrolman BAKER and Mr. TRULY yesterday.

When statements obtained, send to Bureau AM as quickly as possible, marked for the attention of Mr. ROSEN.

Mr. MALLEY also mentioned that the Bureau has made arrangements to obtain 100 copies of the Commission's report and that each Field Office will be furnished a copy. Dallas will receive 4 or 5 copies, he believed, and he stated it would not be necessary for the Field Offices to index the report.
