

Ben Harold -

Yesterday, the years just
seem to "explode" by. Harold
I believe we are pushing on
year 2000 !!!

Best of everything -

Paul A -

May there always be
a sparkling twinkle in your eyes...

May there always be
a sunshiny glow in your smile...

May there always be
a merry song in your heart...

May there always be
a fun-loving spirit in your life...

Happy Birthday

And keep that AER "stuff"
coming !!!

Best -
Paul A -
