Mr. Harold Weisberg
Route 12 - Old Receiver Road
Frederick, Maryland 21701

Dear Mr. Weisberg:

Thank you for your letter of January 25, 1978. Unfortunately, the honorarium which you have suggested is not within the capability of the Brotherhood. We would be limited to an amount of \$200.00. I in no way mean to imply that I feel your figure is unreasonable -- I do not. It is simply a matter of our own budgetary constraints. I recognize your generosity in offering to lecture to any auxiliary group as well, but such would not be the case at Har Sinai.

Thank you for responding promptly to my letter.

Sincerely yours,

Robert I. H. Hammerman
